Letter no 556 dated the 27th January 1902 from the President of the Distt: Board, Kolar Distt: regarding the Amrith Mahal bulls and policy for breeding purposes

The President having reported in his D.7. Administration Report of the Kolar Circle for the year 1901-02 that, out of the 7 Amrith Mahal bulls supplied to the District, good use was made by the reports of the b.bs supplied to the Chintamani Taluk but that the remaining 6 were not of much use on account of their fierceness and wildness, he was requested to state whether the said 6 bulls might not be returned to the Amrith Mahal department and useful ones obtained in their stead. He was further requested to report

O.M. No. 829/32-02 Dt 17.8.02

the utility of the bulls
proving the breed of cattle.

2. In reply, the President states that the bulls supplied to the Bowringpet and Goribidnur Talukes are useless and have been ordered to be returned to the Amrith Mahal department, that the one supplied to Bagepalli was sold to one Ramakrishnappa naik for Rs 35/- which has since died & that the bull supplied to Chikballapur Taluk has also died. He promises to send separate reports in due course in regard to the bulls supplied to the Chintamani and Sidlaghatta Talukes. In the meantime, he requests that the officer in charge of the Amrith Mahal Department may be instructed to exchange the bulls that will be sent by the Amildars of Bowringpet and Goribidnur for better ones.

5 The draft order which was approved by the Dewan was issued (vide G.O. Taking this as

a precedent. the President of the Hassan Sixth Board, who had solicited instructions with regard to the disposal of the old bull ah Arasikere, was in the draft order asked to return it to the Amrish Mahal department and obtain a better one in its stead. (vide flag D)

7. On this draft the Dewan observed as follows:-

"The order referred to was passed under misapprehension. If after 10 years a bull becomes unserviceable it should of course be sold and another one be obtained. There can be no "exchange".

And on the order of the Board itself he observed

"The bull is said to have
"been given 10 years ago. It
cannot now be exchanged cer-
tainly. The bull may be sold
for what it is worth and a
"as one obtained"

Accordingly, that order
of the 10th March 02 was modified

Secretary to the Govt of Mysore
General & Revenue Department

Sir,

Adverting to your official memo-
randum no: 832-3 dated 17th August 1903
L. F. 32-02
requesting certain information about bulls
supplied for breeding purposes. I have the
honour to state that no bulls existed or
were supplied in the year 1901 02.

Four breeding bulls were supplied
to this district as shown in the statement
herein enclosed. The one sent to Chennagiri
Taluk was killed by a tiger in 1894-95. The
two supplied to the Shimoga and the Nerthalle
Taluks died in 1897-98. They were reported
to be useless for the purpose for which they were
supplied. This fact was mentioned in the
several annual administration Reports
submitted

Submitted for years 1893-94 to 1899-1900. The remaining one supplied to Honnali Taluk was sold in 1899-1900 for Rupees 30/- having become old and unfit for breeding purpose. Vide Annual Report for the year. The work done by this annual is noted in the Annual Reports sent from 1893-94 to 1899-1900.

As regards the question whether any bulls are now required, I beg to state that one for Chennagiri and another for Honnali Taluk may be supplied - Half Cost. Bulls are not required for the Malnad Taluks as cattle do not thrive there

I have the honour to be
Sir
Your most obedt. Servant
